

Parenthesis

Dashes, Brackets and parenthetical commas are a very common way of adding extra information to a sentence.

Parenthesis isn't the punctuation but the information added.

Can you insert the punctuation into these four sentences?

Charles Dickens 1812-1870 was the most popular author of the Victorian era.

Steven Gerrard Captain was man of the match against Napoli.

Our school Carlton le Willows achieve excellent exam results every year.

Steve my best friend has just moved to Hong Kong.

The cat who had large green eyes was eyeing up the mouse in the corner of the room.

The Arctic Monkeys the greatest band in the world have recently released their superb sixth album.
